4860 South Gippsland Highway, Lang
Lang.

3 km west southwest of Lang Lang Post
Office.

*On Sunday February 3rd,
2013*

*4860 Sth Gippsland Hwy
Lang Lang*

Over the past 23 years Salco Partners have built one of the largest pedigree Salers herds in Australia, with over 100 registered breeding females. Our herd is based on top Australian and French bloodlines. This year we will have on display progeny, including bulls, from the French sires Sancy, Variegois, Nomade and Texas, as well as a pen of 10 heifers for the RASV Heifer Challenge.

We use Salers BreedPlan, with additional selection for temperament, polling, fertility, and maternal traits. Salers are renowned for exceptional ease of calving. Repeated success in the Gippsland grass fed steer trials demonstrates the exceptional weight gains of purebred and Salers X Angus calves.

Bulls on display and for sale

How to find us

From Melbourne:

Continue along the South Gippsland Hwy past the two Lang Lang exits.

Drive 1.3km past the round-a-bout to Stanlakes Rd and make a U-turn, heading towards Melbourne on the Hwy. Turn left before the safety barrier, approx 1km from U-turn, following the BeefWeek signs.

Towards Melbourne:

After either crossing over or under the Bass Hwy overpass, drive 1.3km along the South Gippsland Hwy. Turn left before the safety barrier, following the BeefWeek signs.

Call us on 0408 330 198 if you have trouble.
